MEMORANDUM FOR: Director of Operations

ATTENTION: Major [REDACTED]

SUBJECT: Duplicate Materials on Penetration
Missions for ONI

REFERENCE: TCS-1004-57, 4 March 1957

1. I regret to inform you that Captain [REDACTED] of the Navy has advised me that because of the present limited number of cleared photo processing personnel at USNPIC it is considered advisable for the Navy to receive temporarily a duplicate negative rather than a duplicate positive of future penetration missions. This reverses the request that I placed upon you in the referenced memorandum.

2. When USNPIC has the capability to handle the duplicate positive material as they originally preferred, I will inform you.
